Old Business:

Shirts: Chris asked Steve to order CSAM shirts for Darcie and Nick. He will order as Billy ordered previously. We are still currently working on quotes for Inspector shirts.

NEF 62 Debrief: Jon Pinette brought up the number of people who are entering the cage after a fight. Just remind the Inspectors of the rules. Steve Wallace clarified the conversation he had with inspectors and NEF. There is some confusion surrounding during the contest vs after the contest. Darcie mentioned fighter/corner attention during the rules meeting and the lack of following the rules during the contest. Darcie also asked about the role of the doctor during the fight. What is his role? During the fight- can the fighter continue? After the fight- does the fighter require assistance or can s/he leave on their own?
